

AROMATIC BLENDS

**PRIDE O'
WISCONSIN
BLEND**

Pkt. Size. 7 oz. 14 oz.

Two Virginia blends meld with a resulting clean and lightly flavored smoke...burns well and has just a hint of peach brandy.

**PAR
SHOOTER
BLEND**

Pkt. Size. 7 oz. 14 oz.

A blend that's soft to the touch as well as the tongue. Great vanilla and caramel essences blended with Black Cavendish and Burley. As good as a beautiful and easy round of golf.

**SEVEN STAR
BIG DIPPER
BLEND**

Pkt. Size. 7 oz. 14 oz.

This golden Cavendish mixture provides a rich vanilla taste and great body. A smooth, steady smoke with an excellent aroma.

KAREN CLUB

Pkt. Size. 7 oz. 14 oz.

Named for my #2 daughter. A beautiful, semi-rough cut, full aromatic. Dark, rich Burley's sprinkled with Golden Virginia Flake. So wonderfully pleasant for the other person but far from over-bearing.

**BLACK
STOKER**

Pkt. Size. 7 oz. 14 oz.

Plenty of pure Black Cavendish with a bit of sweet Burley. Rich and elegant, this is a best-seller and an all-time favorite for its taste and aroma.

**B J'S
CAVENDISH**

Pkt. Size. 7 oz. 14 oz.

My grandsons...Big Bill and Mad Jon...vibrantly healthy, interestingly young and of course, proudly, a part of me. This new blend...lots of work...interesting and good...best grade of Cavendish ribbon cut cased with...we'll let you guess...it's a berry fruit.

BLEND "X"

Pkt. Size. 7 oz. 14 oz.

This is a terrible name for such a great mixture...a full-flavored blend with the classic taste of an after-dinner cordial.
